Please provide a quotation on the Burlodge EmergTherm Program. I am interested in finding out the cost of each item as well as the cost of buying a contingency stock based on the following quantities:

	Quantity
Dixie 8 inch Stoneware Plate	
Dixie 8 inch Stoneware Plate LID	
Dixie 9 inch Stoneware Plate	
Dixie 9 inch Stoneware Plate LID	
Dixie 6 inch Stoneware Dessert/Salad Plate	
Dixie 8 oz Stoneware Bowl	
Dixie 12 oz Stoneware Bowl	
Dixie 16 oz Stoneware Bowl	
Dixie 3 Tab Bowl Stoneware Lid (fits all bowls)	
8 oz Coffee Cup Stoneware Lid (fits Burlodge reusable hot beverage mug)	
4 Piece Cutlery Pack - Knife, Fork, Soup Spoon, Teaspoon, Flexi Straw, Napkin	

Hints:

You should plan to get 7 days of contingency stock.

You can calculate the amount of stock for each item by filling in the following table:

	# of Plates I Would Use	# of Plate Lids I would use	# of Bowls and Lids I would use	# of Cutlery Sets I would use	Number of Hot Beverage Cups Lids I would use
Daily Breakfast Trays					
Daily Lunch Trays					
Daily Dinner Trays					
TOTALS (A)					
Number of Days of Contingency Stock (B)	x	x	x	x	x
Contingency Order = (A x B)
